Wilder Fallfish fry persistent and persistent quality habitat.

Wilder CR Fallfish fry persistent and persistent quality habitat.

Wilder Fallfish spawning persistent and persistent quality habitat.

Wilder CR Fallfish spawning persistent and persistent quality habitat.

Wilder Longnose Dace fry persistent and persistent quality habitat.

Wilder CR Longnose Dace fry persistent and persistent quality habitat.

Wilder Sea Lamprey spawning persistent and persistent quality habitat.

Wilder CR Sea Lamprey spawning persistent and persistent quality habitat.

Wilder Smallmouth Bass fry persistent and persistent quality habitat.

Wilder CR Smallmouth Bass fry persistent and persistent quality habitat.

Wilder Smallmouth Bass spawning persistent and persistent quality habitat.

Wilder CR Smallmouth Bass spawning persistent and persistent quality habitat.

Wilder White Sucker fry persistent and persistent quality habitat.

Wilder CR White Sucker fry persistent and persistent quality habitat.

Wilder White Sucker spawning persistent and persistent quality habitat.

Wilder CR White Sucker spawning persistent and persistent quality habitat.

Wilder Walleye fry persistent and persistent quality habitat.

Wilder CR Walleye fry persistent and persistent quality habitat.

Wilder Walleye spawning persistent and persistent quality habitat.

Wilder CR Walleye spawning persistent and persistent quality habitat.

Wilder Tessellated Darter persistent and persistent quality habitat (Winter).

Wilder CR Tessellated Darter persistent and persistent quality habitat (Winter).

Wilder Tessellated Darter persistent and persistent quality habitat (Spring).

Wilder CR Tessellated Darter persistent and persistent quality habitat (Spring).

Wilder Tessellated Darter persistent and persistent quality habitat (Summer).

Wilder CR Tessellated Darter persistent and persistent quality habitat (Summer).

Wilder Tessellated Darter persistent and persistent quality habitat (Fall).

Wilder CR Tessellated Darter persistent and persistent quality habitat (Fall).

Wilder Macroinvertebrates persistent and persistent quality habitat (Winter).

Wilder CR Macroinvertebrates persistent and persistent quality habitat (Winter).

Wilder Macroinvertebrates persistent and persistent quality habitat (Spring).

Wilder CR Macroinvertebrates persistent and persistent quality habitat (Spring).

Wilder Macroinvertebrates persistent and persistent quality habitat (Summer).

Wilder CR Macroinvertebrates persistent and persistent quality habitat (Summer).

Wilder Macroinvertebrates persistent and persistent quality habitat (Fall).

Wilder CR Macroinvertebrates persistent and persistent quality habitat (Fall).

Wilder and Wilder CR GHC Deep-Fast persistent habitat (Winter).

Wilder and Wilder CR GHC Deep-Fast persistent habitat (Spring).

Wilder and Wilder CR GHC Deep-Fast persistent habitat (Summer).

Wilder and Wilder CR GHC Deep-Fast persistent habitat (Fall).

Wilder and Wilder CR GHC Deep-Slow persistent habitat (Winter).

Wilder and Wilder CR GHC Deep-Slow persistent habitat (Spring).

Wilder and Wilder CR GHC Deep-Slow persistent habitat (Summer).

Wilder and Wilder CR GHC Deep-Slow persistent habitat (Fall).

Wilder and Wilder CR GHC Shallow-Fast persistent habitat (Winter).

Wilder and Wilder CR GHC Shallow-Fast persistent habitat (Spring).

Wilder and Wilder CR GHC Shallow-Fast persistent habitat (Summer).

Wilder and Wilder CR GHC Shallow-Fast persistent habitat (Fall).

Wilder and Wilder CR GHC Shallow-Slow persistent habitat (Winter).

Wilder and Wilder CR GHC Shallow-Slow persistent habitat (Spring).

Wilder and Wilder CR GHC Shallow-Slow persistent habitat (Summer).

Wilder and Wilder CR GHC Shallow-Slow persistent habitat (Fall).

Wilder Dwarf Wedgemussel persistent and persistent quality habitat (Spring).

Wilder Dwarf Wedgemussel persistent and persistent quality habitat (Summer).

Wilder Dwarf Wedgemussel persistent and persistent quality habitat (Fall).

Wilder Co-occurring mussels persistent and persistent quality habitat (Spring).

Wilder Co-occurring mussels persistent and persistent quality habitat (Summer).

Wilder Co-occurring mussels persistent and persistent quality habitat (Fall).
