**Re: Great River Hydro, LLC; FERC Project Nos. 1855-050, 1892-030 and 1904-078,
Request for an Extension of Time to file a Response to Bellows Falls Application
Deficiencies and Requests for Additional Information**

Dear Acting Secretary Reese:

Great River Hydro, LLC (Great River Hydro) as licensee, owner, and operator hereby submits a request for an extension of time to respond to the Commission letter of November 9, 2023, regarding Schedule A, deficiencies in the June 8, 2023 revised application for the Bellows Falls Project, and to adequately respond to the Schedule B, additional information requests needed to process the applications for the Wilder, Bellows Falls and Vernon Projects.

Great River Hydro is unable to respond within the required 60 days of the November 9, 2023 letter, pursuant to Section 5.20(a)(2) [Deficiencies] and Section 5.21 [AIRs] of the Commission's regulations. Great River Hydro is requesting an extension of time, until January 31, 2024, to complete and file its response.

We appreciate the Commission's cooperation and if there are further questions regarding this matter, please contact me at 603-498-2851 or jragonese@greatriverhydro.com. Thank you for your consideration.

Sincerely,

John L. Ragonese
FERC License Manager
